We could do that man for sure... I will talk with Alex (Scimanal) Friday and see what he thinks. if you haven't be following our news he now organizes the events. I just make the final call after he puts stuff together.

You guys have a place to host it yet or do you need a place?

oh yeah Proph do you have my cell number? because I am in class at night so I won't be around to answer my messenger. Best time to reach me is is either between 2:30pm and 5pm and then from 10pm - 11pm

Either of those dates works for me. I've got a couple people that would play in it, keep us updated with the final time and place!
